STAT 10. [] After talking with Mr. Enright, Mr. Lee in Congressman Robert L. Leggett's office called John S. Warner after having been referred by the Director's secretary. Mr. Lee stated that Congressman Leggett wanted a briefing on certain aspects of the Vietnam situation. Prior to this I had checked this out with Russ Blandford since Leggett is on House Armed Services Committee. Blandford indicated there were some problem areas here which he could not discuss on the telephone and suggested that it would be appropriate for us to indicate that Chairman Rivers has requested the Agency to limit our briefings to the members of the CIA Subcommittee. This was furnished to Lee and, subsequently, Congressman Leggett called and I repeated this. Mr. Leggett stated he very much would like to do this possibly even coming out to the Agency to do it. He requested that I check this out through our channels and that he would check it through his channels. He stated he was going to talk to Phil Kelleher. Both Blandford and Kelleher were advised that Leggett was following up on this. The topics which Leggett wished covered for the proposed Friday afternoon briefing are as follows:

1. Size of forces - Viet Cong, NVN, U.S.
2. Infiltration rates.
3. Effect of SVN units' efforts.
4. Morale in the North and in the South.
5. Effectiveness of B-52 bombing raids.
6. Rate of plane losses - F-105s, A-4s, A-5s.
7. Casualties - U.S., SVN, Koreans.

STAT 11. [] Met briefly with Mr. John Martin, Assistant Chief Counsel, House Ways and Means Committee. Mr. Martin advised that the new committee print of H.R. 5710 is at the printers and will probably be returned to the Committee late Thursday or Friday.

STAT 12. [] Attempted to see Representative Glenard Lipscomb (R., Calif.) but he was unavailable during the afternoon. An appointment was made to meet with him 9:30 a.m. tomorrow morning.
